

SKP VANITHA MATRICULATION SCHOOL

TIRUVANNAMALAI – 606 611.

Date : 06-04-2020

Grade - IX

Knowledge will bring you the opportunity to make a difference.

Knowledge transfer occurs wherever we are, it doesn't require specific places, it depends on the learners interest to explore ,experiment and experience the things.

Hereby our Grade IX and Grade X students are enhancing their learning by utilizing their quarantine period quantitatively through the teaching videos which are being posted by our teachers through Online which is being a helpful resource for our students.
